

The All New Micro-Bead

Sobakawa® Cloud Pillow™

Thank you for purchasing the **NEW Sobakawa® Cloud Pillow™** and Pillow Case. This unique Micro-Air Bead Pillow is the ultimate in sleeping comfort and support.

The **NEW Sobakawa® Cloud Pillow™** employs a new technology that uses over 10 Million Micro-Air Beads to provide:

Personal Contoured Support • Cooling Comfort Air Flow • Neck and Head Support

The Sobakawa® Cloud Pillow™ is the perfect ingredient for a deep, restful sleep. Plus, you can place it in the freezer to make cooler!

Tips For Getting the Most Benefit From Your Sobakawa Cloud Pillow

The **NEW Sobakawa® Cloud Pillow™** helps support your neck, shoulders and upper back, helping to promote sounder sleep. Try these other useful tips with your **NEW Sobakawa® Cloud Pillow™**

- Use it when you drive for lower back support.
- Try it in your office chair, especially when working at the computer or talking on the phone.
- Rest your head and neck or lower back on it while watching TV. It may help with stiffness after sitting in one position for so long.
- Try it under your knees when your lower back hurts. Prop it on its side for maximum thickness.
- For chronic shoulder pain, place pillow under your upper arm and shoulder for a more comfortable sleep.
- When you have a headache or neck spasm, put it in the freezer for an hour or so before use for maximum cooling effect (Do not let your **SOBAKAWA** get wet wrap it in a plastic bag before putting it in the freezer)
- When doing yoga poses or stretching exercises on the floor, try this pillow for upper back support, helping to avoid unnecessary strain on your neck.
- For improved posture, i.e. on your back on the floor with your **SOBAKAWA** placed just below your shoulder blades to stretch out your middle back.
- Do not place pillow in washer or dryer.

Sobakawa® Cloud Pillow

WARNING: This fabric and enclosed beads are flammable. Do not expose this product to open flames or any other direct or indirect high temperature ignition source such as burning operations, welding, burning cigarettes, space heaters or naked lights.

Once ignited, fabric will burn rapidly, releasing great heat and consuming oxygen at a high rate. In an enclosed space the resulting deficiency of oxygen will present a danger of suffocation to the occupants. Hazardous gases released by the burning fabric can be incapacitating or fatal to human beings if inhaled in sufficient quantities.

CAUTION: Please read the following warning before using the product.

- This product is **NOT A TOY** and should **NOT** be used by children under 5 years of age.
- **CHOKING HAZARD:** Keep product away from infants, children and pets.
- Use caution to avoid inhaling beads. If inhaled seek immediate medical attention.
- Keep away from sharp objects.
- Avoid excessive pressure onto or stretching the pillow as this may cause the fabric to tear exposing the enclosed beads.
- Discard cushion and beads immediately if product tears.
- This pillow **MUST** be used in conjunction with the bonus pillow cover. Do not use pillow without supplied cover zipped shut. Cover should only be removed for cleaning.
